Jeff's quest for the injury-free marathon training program led him to develop group training programs in 1978, and to author Runner's World articles which have been used by hundreds of thousands of runners of all abilities. His training schedules have inspired the second wave of marathoners who follow the Galloway RUN-WALK-RUN™, low mileage, three-day suggestions to an over 98% success rate. Jeff has worked with over 200,000 average people in training for specific goals. Jeff is an inspirational speaker to over 200 running and fitness sessions each year. His innovative ideas have opened up the possibility of running and completing a marathon to almost everyone. Philosophically, Jeff believes that we were all designed to run and walk, and he keeps finding ways to bring more people into the positive world of exercise.

Outlines how to start and run a successful small business for current and prospective entrepreneurs and offers tips on marketing strategies, creating a business plan, and handling human resources duties.

This book will show you how to turn your passion and enthusiasm into a viable commercial opportunity. It is packed full of practical, down-to-earth advice based on the author's own, and other successful entrepreneurs', experience. You'll discover how other people have started successful businesses with nothing else than a great idea, self-belief, and determination. Discover how you can easily: - Research your ideas. - Start your own business at home, from little or nothing. - Get funding for your new business. - Overcome your fears and sell anything to anyone. - Market your business on a shoestring. - Create your own successful niche business in a world dominated by multi-retailers. Paul Power's own successful philosophy is that if your ultimate dream is to run a global franchised network from home but all you can afford is a second hand laptop, then start with the laptop and work your way up. As the entrepreneurs featured in this book will testify, that's how many of today's successful businesses started.
