With sawn-off shotguns as toys, the Kray twins as family friends and a mother who urged them as teenagers to 'get out of bed and rob a bleedin' bank', it is little wonder that the Fraser boys were heavily involved in organized crime by the time they were in their twenties. Packed with new information, and featuring some of the most famous names in the London underworld, this is a fascinating slice of gangland history seen through the eyes of Frank Fraser and his two renegade sons.

'I am not a gangster,' I spat. 'I'm a businessman trying to make a hard-earned crust. Understood?' I didn't give him time to reply. I took the barrel out of his mouth and smashed him in the face with the butt. His lip split, but he wasn't a dead man. He seemed to appreciate that his life had been spared. He spluttered his thanks: 'Ok, you 're not a gangster. You are not a gangster.' This is

It ' s a shocking insight into a society where the rules are made by gangland leaders and if anybody dare break them, they have to deal with the consequences. Bobby was sent to prison for the first time in 1967, aged 16, and over the next decade he established himself as a hardened criminal running protection rackets and robberies against a backdrop of all-out gang warfare, where doorstep slayings and bloody shoot-outs were common. Eventually Bobby was sentenced to 12 years in Britain ' s most notorious prisons, along with the Krays, Charlie Richardson and the Yorkshire Ripper. Inside, he was introduced to the

Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one
