Modernist Cooking Made Easy: Getting Started eBook: Jason ...

What is Modernist Cooking? From fancy liquid spheres to crazy foams and unqie gels, people have a lot of different things in mind when they talk about modernist cooking. However, at it's most basic, modernist cooking is just using all the tools at your disposal to make great food. At some point in the past, almost everything we use in our kitchen was considered modernist. Ovens were thought to destroy the flavors of hearth roasting and made cooking "impersonal".
