A unique blend of age-appropriate tracing and writing activities are combined with puzzles to make learning fun while helping kindergarteners build alphabet and handwriting skills and develop lifelong learning confidence. Identifying letters and learning to write letters and words are important steps toward reading readiness, and Highlights (TM) infuses Fun with a Purpose(R) into these essential learning activities. With vibrant art and engaging prompts, Writing exposes kindergarteners to letters and words through tracing and writing practice and the fun of puzzles and other activities, including Hidden Pictures(R) puzzles and mazes.

From the illustrator of the #1 smash The Day the Crayons Quit comes another bestseller--a giggle-inducing tale of everything tossed, thrown, and hurled in order to free a kite! When Floyd's kite gets stuck in a tree, he's determined to get it out. But how? Well, by knocking it down with his shoe, of course. But strangely enough, it too gets stuck. And the only logical course of action . . . is to throw his other shoe. Only now it's stuck! Surely there must be something he can use to get his kite unstuck. An orangutan? A boat? His front door? Yes, yes, and yes. And that's only the beginning. Stuck is Oliver Jeffers' most absurdly funny story since The Incredible Book-Eating Boy. Childlike in concept and vibrantly illustrated as only Oliver Jeffers could, here is a picture book worth rescuing from any tree.

When a little boy plants a carrot seed, everyone tells him it won't grow. But when you are very young, there are some things that you just know, and the little boy knows that one day a carrot will come up. So he waters his seed, and pulls the weeds, and he waits ... First published in 1945 and never out of print, this timeless combination of Ruth Krauss's simple text and Crockett Johnson's eloquent illustrations creates a triumphant and deeply satisfying story for readers of all ages.

Parents have heard that play is a child's work--but play is not for kids only. As psychologist Lawrence J. Cohen, Ph.D., demonstrates in this delightful new book, play can be the basis for an innovative and rewarding approach to parenting. From eliciting a giggle during baby's first game of peek-a-boo to cracking jokes with a teenager while hanging out at the mall, Playful Parenting is a complete guide to using play to raise strong, confident children. Have you ever stepped back to watch what really goes on when your children play? As Dr. Cohen points out, play is children's complex and fluid way of exploring the world, communicating hard-to-express feelings, getting close to those they care about, working through stressful situations, and simply blowing off steam. That's why "playful parenting" is so important and so successful in building strong, close bonds between parents and children. Through play we join our kids in their world. We help them express and understand deep emotions, foster connection, aid the process of emotional healing--and have a great time ourselves while we're at it. Anyone can be a playful parent--all it takes is a sense of adventure and a willingness to let down your guard and try something new. After identifying why it can be hard for adults to play, Dr. Cohen discusses how to get down on the floor and join children on their own terms. He covers games, activities, and playful interactions that parents can enjoy with children of all ages, whether it's gazing deep into a baby's eyes, playing chase with a toddler, fantasy play with a grade schooler, or reducing a totally cool teenager to helpless laughter. Playful Parenting also includes illuminating chapters on how to use play to build a child's confidence and self-esteem, how to play through sibling rivalry, and how play can become a part of loving discipline. Written with love and humor, brimming with good advice and revealing anecdotes, and grounded in the latest research, Playful Parenting will make you laugh even as it makes you wise in the ways of being a happy, effective, enthusiastic parent.

Brighter Child(R) Learning Letters helps young children master alphabet letters and sounds. Practice is included for letter writing, letter recognition, phonics, and more. School success starts here! Workbooks in the popular Brighter Child(R) series are packed with plenty of fun activities that teach a variety of essential school skills. Students will find help for math, English and grammar, handwriting, and other important subject areas. Each book contains full-color practice pages, easy-to-follow instructions, and an answer key.

Motivate your students to write with fun-filled reproducibles for every month! Each reproducible pairs a drawing prompt with quick writing prompts on favorite topics: autumn harvest, animals, 100th day, holidays, weather, classroom community, and more. As a pre-writing warm-up, drawing pictures sparks kids' interest, helps them generate ideas and details for writing, and makes their subjects lively and real. A great way to encourage reluctant writers! For use with Grades K-2.

Drawings and verse point out the many things that are wrong one wacky Wednesday.

Lucy Calkins discusses how to teach writing and how children develop as writers; she stresses the importance of staff development for teachers of writing.

Everyone knows that sinking feeling in the pit of the stomach just before diving into a new situation. Sarah Jane Hartwell is scared and doesn't want to start over at a new school. She doesn't know anybody, and nobody knows her. It will be awful. She just knows it. With much prodding from Mr. Hartwell, Sarah Jane reluctantly pulls herself together and goes to school. She is quickly befriended by Mrs. Burton, who helps smooth her jittery transition. This charming and familiar story will delight readers with its surprise ending. Fun, energetic illustrations brighten page after page with the busy antics surrounding Sarah Jane. FIRST DAY JITTERS is an enchanting story that is sure to be treasured by anyone who has ever anticipated a first day of school.

An essential "how-to" primer, this book examines the process of learning to write and shares evidence-based instructional strategies for the primary grades. With an emphasis on explicit instruction and scaffolding students' learning, the authors explain when and how to teach handwriting, spelling, foundational skills

Where To Download Preschool Daily Journal Prompts

such as sentence formation and editing, and composition in specific genres. They present clear-cut techniques for assessment, differentiation, and supporting struggling writers. The Common Core State Standards (CCSS) for Writing are used as a framework for setting instructional goals. Reproducible assessment forms, checklists, and rubrics are provided; purchasers get access to a Web page where they can download and print the reproducible materials in a convenient 8 1/2" x 11" size.
