Jesus, Lover of My Soul by Charles Wesley, first published in 1878, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation.

Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Hymn Restoration introduces a new generation to the musical treasures of Christian history. Dino Kartsonakis has selected 101 of the best hymns, and presented them alongside devotions that expand on their themes. May you be uplifted in your
