Scoprite l'estetica unica di Tadao Ando, l'unico architetto ad aver vinto i quattro premi più prestigiosi del settore: Pritzker, Carlsberg, Praemium Imperiale e Kyoto Prize. Basata sull'imponente monografia in formato XXL, questa edizione completamente aggiornata copre l'intera carriera dell'architetto e include anche straordinari progetti recenti come lo Shanghai Poly Grand Theater e il Clark Center del Clark Art Institute di Williamstown, Massachusetts. Ogni progetto è presentato attraverso fotografie e disegni architettonici per esplorare l'uso assolutamente innovativo di cemento, legno, acqua, luce, spazio e forme naturali. I suoi progetti - molti dei quali vincitori di premi - includono abitazioni private, chiese, musei, complessi residenziali e spazi culturali dal Giappone alla Francia, dalla Spagna all'Italia, fino agli Stati Uniti. Questa edizione compatta permette un incontro ravvicinato con un maestro del Modernismo.

Découvrez l'oeuvre de Tadao Ando, le seul architecte à avoir remporté les quatre distinctions les plus prestigieuses de sa profession : les prix Pritzker, Carlsberg, Kyoto et le Praemium Imperiale. Cette ample monographie célèbre l'esthétique absolument unique de l'un des architectes les plus célèbres au monde. Couvrant sa carrière depuis ses débuts jusqu'à ces derniers projets éblouissants comme le musée Hansol de Corée du Sud et le Teatrino de Venise, en Italie, elle explore son usage unique du béton, du bois, de l'eau, de la lumière, de l'espace et des formes naturelles. Témoignages de la diversité et de la portée mondiale du style Tadao, les créations présentées comprennent des résidences privées, des églises, des musées, des immeubles résidentiels et des espaces culturels, au Japon comme en France, en Italie, en Espagne ou aux Etats-Unis, qui lui ont valu de multiples récompenses.

Combining influences from Japanese tradition with the best of Modernism, Ando has developed a completely unique building aesthetic that makes use of concrete, wood, water, light, space, and nature in a way that has never been witnessed in architecture. This book presents the illustrious career of the only architect ever to have won the discipline's four most prestigious prizes. 3-8228-2164-0\$125.00 / Taschen America LLC

A new edition of the acclaimed portfolio of work by Japan's leading architect, now featuring digitally remastered photographs. "The magnificent photographs by Richard Pare come as close to putting you there as any publication is likely to achieve." —The New York Times An exquisite work of art in its own right, this book is the result of ten years' collaboration between the English photographer Richard Pare and the internationally renowned Japanese architect Tadao Ando. This new edition features all the same extraordinary photographs, completely remastered from the original negatives, bringing this beautiful volume back to life. Pare's remarkable images shed new light on this important body of work, while Ando's original line drawings and sketches provide unparalleled insight into his creative process.

A visual tribute to the work of the Pritzker Prize-winning architect features photography and illustrations of more than fifty projects incorporating his transcendent and sculptural forms, in a volume that includes coverage of such structures as the JFK Library and the East Building of the National Gallery of Art. 17,500 first printing.

Bognar describes in detail the work of Kengo Kuma whose designs have been attracting growing international attention. Kuma's work is characterized by simplicity and sensitivity to ecological issues taking account of the site and the materials used.

A condensed version of the information contained in the ground breaking Phaidon Atlas of Contemporary World Architecture, this travel edition is pocket sized and portable, ideal for the holiday or business traveller. Organized geographically and illustrated with global, regional and sub-regional maps, locating each building, plus twenty seven city orientations, the book contains 1,052 buildings, each of which is illustrated with a single image, and is accompanied by a brief description as well as the address and telephone number

Perfection in Simplicity Tadao Ando's complete works from 1975 until today Discover the completely unique aesthetic of Tadao Ando, the only architect ever to have won the discipline's four most prestigious prizes: the Pritzker, Carlsberg, Praemium Imperiale, and Kyoto Prize. Philippe Starck defines him as a "mystic in a country which is no longer mystic." Philip Drew calls his buildings "land art" as they "struggle to emerge from the earth." His designs have been described as haiku crafted from concrete, water, light, and space. But to Ando, true architecture is not expressed in metaphysics or beauty, but rather through space that embodies physical wisdom. This thoroughly updated 2018 edition spans the breadth of his entire career, including such stunning new projects as the Shanghai Poly Grand Theater and the Clark Center at Clark Art Institute in Williamstown, Massachusetts. Each project is profiled through photographs and architectural drawings to explore Ando's unprecedented use of concrete, wood, water, light, space, and natural forms. Featuring designs from award-winning private homes, churches, museums, and apartment complexes to cultural spaces throughout Japan, Korea, France, Italy, Spain, and the USA, this XXL-sized tribute is the definitive overview of this Modernist master.
