Unbearable Lightness is de Rossi's story of battling her eating disorder, self-hatred because of her sexuality, all while dealing with her increasing fame. While the book would have benefited from a talented editor (especially in the first half) it is a brutally honest account of her struggles with eating throughout her life. Her struggle is something that every woman can probably related to ...

The Unbearable Lightness of Being was almost unbearable to read. There was a lot of pseudo-intellectual meandering about things that deserved a little more grit. Milan Kundera, quote from The Unbearable Lightness of Being “ Anyone whose goal is 'something higher' must expect someday to suffer vertigo. What is vertigo? Fear of falling? No, Vertigo is something other than fear of falling. It is the voice of the emptiness below us which tempts and lures us, it is the desire to fall, against which, terrified, we defend ourselves. ”

The Unbearable Lightness of Being often leans towards the nihilistic through the narrator 's insistence on the meaninglessness of a single existence. However, the story also focuses on the interconnectedness of four people in difficult times which becomes a lot more exciting with the entry of Karenin. It went on to win the *Los Angeles Times Book Prize for Fiction* and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous

events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac)

“ An unusually fresh and engrossing memoir of both Hollywood and modern womanhood. ” —Los Angeles Times In this searing, unflinchingly honest memoir, actress Portia de Rossi shares the truth of her long battle to overcome anorexia and bulimia while living in the public eye, and details the new happiness and health she has found in recent years—including her coming out and her marriage to Ellen DeGeneres. All the while terrified that the truth of her sexuality would be exposed in the tabloids, Portia alternately starved herself and binged, putting her life in danger and concealing from herself and everyone around her the seriousness of her illness. She describes the elaborate rituals around food that came to dominate hours of every day and explores the pivotal moments of her childhood that set her on the road to illness. She reveals the heartache and fear that accompany a life lived in the closet, a sense of isolation that was only magnified by her unrelenting desire to be ever thinner, ever more in control of her body and the number of

In this remarkable, landmark book, she has given the world a story that inspires hope and nourishes the spirit.

"I didn't decide to become anorexic. It snuck up on me disguised as a healthy diet, a professional attitude. Although there was a certain glamour to anorexics, I didn't want to be one. I just wanted to excel in dieting. And weighing in at 80 pounds on 300 calories a day, I

"There is no lonelier place than living with an eating disorder. It forces you to hide from everyone out of fear that someone might see through your controlled exterior to the festering, flesh-eating disease that lurks just under the skin. I can't express how shameful it is for the self-controlled over-achiever to find herself at a

Unbearable Lightness is the story of living with an eating disorder. It's also Portia's story of accepting her sexuality, coming out in Hollywood, marrying Ellen DeGeneres and what life is really like inside the Hollywood machine. Shockingly candid, outrageously funny, self deprecating and no holds barred, Unbearable Lightness is an extraordinary account of a Hollywood life not even the tabloids could make up.
