Yellow badges (or yellow patches), also referred to as Jewish badges (German:

Judenstern, lit. 'Jew's star'), are badges that Jews were ordered to wear in public during periods of the Middle Ages by the ruling Christians and Muslims, and in Nazi Germany.

Jews throughout Nazi-occupied Europe were forced to wear a badge in the form of a Yellow Star as a means of identification. This was not a new idea; since medieval times many other

societies had forced their Jewish citizens to wear badges to identify themselves. The badges were often printed on coarse yellow cloth and were a garish yellow colour.

This is the true story of Sylvia Perlmutter - a story of courage, heartbreak, and finally survival despite the terrible circumstances in which she grew up.

Yellow Star, Red Star asks

Download Free Yellow Star

why Holocaust memory
continues to be so deeply
troubled—ignored,
appropriated, and
obfuscated—throughout
Eastern Europe, even though
it was in those lands that
most of the extermination

Download Free Yellow Star

campaign occurred. As part of accession to the European Union, Jelena Suboti? shows, East European states were required to adopt, participate in, and contribute to the established Western

Download Free Yellow Star

narrative of the Holocaust.
This requirement created
anxiety and resentment in
post-communist states:
Holocaust memory replaced
communist terror as the
dominant narrative in
Eastern Europe, focusing

Download Free Yellow Star

instead on predominantly Jewish suffering in World War II. Influencing the European Union's own memory politics and legislation in the process, post-communist states have attempted to reconcile these two memories

Download Free Yellow Star

by pursuing new strategies of Holocaust remembrance. The memory, symbols, and imagery of the Holocaust have been appropriated to represent crimes of communism. Yellow Star, Red Star presents in-depth

Download Free Yellow Star

accounts of Holocaust remembrance practices in Serbia, Croatia, and Lithuania, and extends the discussion to other East European states. The book demonstrates how countries of the region used Holocaust

Download Free Yellow Star

remembrance as a political strategy to resolve their contemporary "ontological insecurities"—insecurities about their identities, about their international status, and about their relationships with other

Download Free Yellow Star

international actors. As Suboti? concludes, Holocaust memory in Eastern Europe has never been about the Holocaust or about the desire to remember the past, whether during communism or in its aftermath. Rather, it

Download Free Yellow Star

has been about managing national identities in a precarious and uncertain world.

Carmen Agra Deedy's award-winning retelling of a powerful World War II

legend. Without the yellow star to point them out, the Jews looked like any other Danes. In 1940, Nazis occupied Denmark and King Christian X, beloved amongst his people, has to find some way to resist their

a World War II legend, New York Times best-selling author Carmen Agra Deedy poignantly remind us of the power of a good, wise leader. Paired with Henri Sørensen's arresting full-color portraits, this is a

The Second World War was a time of terrible injustices. It was also a time of incredible bravery. My Canary Yellow Star is the

Download Free Yellow Star

remarkable story of one of the last century's greatest heroes, Raoul Wallenberg, who was responsible for saving as many as 100,000 lives. Young Marta's life in Budapest has been shattered by the war. First, her

Download Free Yellow Star

school closes. Jews are prohibited from attending classes. Then her father, along with other able-bodied men, is arrested and sent to work digging ditches on the eastern front. The family's apartment is confiscated,

Download Free Yellow Star

and Marta, her brother, and her mother must share cramped space with her aunt and cousin. Food, warm clothing, and any kind of personal freedom have all but vanished. Jewish life becomes more and more

Download Free Yellow Star

confined as the old people, women, and children are forced into the ghetto. From there, the next step is the waiting cattle cars and the concentration camps. But Marta's family is lucky. They are numbered among

Download Free Yellow Star

those who could be saved by the efforts of Raoul Wallenberg. Among the few points of hope was this extraordinary Swedish diplomat. Raoul Wallenberg issued papers to thousands of Jews, declaring them to

Download Free Yellow Star

be Swedish citizens.

Wallenberg was questioned by the Russians after the war and disappeared, possibly to die in Siberia. An international movement has been in place for decades to press Russia for news of his

Download Free Yellow Star

fate. Although details of his death remain a mystery, he has come to represent courage and justice in the face of great evil.

Between May 15 and July 9, 1944, over 440,000 Hungarian

Download Free Yellow Star

Jews were deported and, most were murdered at Auschwitz-Birkenau. The sole exception was the Jews in Budapest. In October 1944, Nazi Lieutenant Colonel Adolf Eichmann, with the eager assistance of the Hungarian

fascist Arrow Cross party, initiated plans to finish off the Jews of Budapest even as the Soviet Red Army was rapidly advancing, and ultimately laid siege on Budapest in December 1944. This is the story of how one

Download Free Yellow Star

Jewish boy and 400 others were protected in a "yellow star house." The house was converted into a hospital run by Jewish doctors designed to treat everyone -- even their wounded enemies, free of charge. The

Download Free Yellow Star

Jewish residents were ultimately saved in this way by a man who posed as an Arrow Cross officer and risked his own life countless times while over 70,000 Jews were being murdered at the Danube or

Download Free Yellow Star

dying in ghettos. The Yellow Star House is a story of courage, family, hope, rescue and luck. It is unforgettable

The author recounts her experiences in the Terezin

detailing how, despite
sickness and loss, the
adults tried to make the
children's lives bearable
and she managed to forge
lifelong friendships.
