Relationship. Posted by fxckfeelings on October 5, 2020. A conflict-free relationship that hasn't gone through hard times is like a rare, expensive sports car; just having it and occasionally driving it around the block makes you feel good and special, but if you suddenly need it for regular use it becomes a tiresome burden.

Fuck your feelings. Sometimes, good things will make you feel bad. Sometimes, bad things will make you feel good. That doesn't change the fact that they are good/bad. Sometimes, you will feel bad about feeling good about a bad thing and you will feel good about feeling bad about a good thi-you know what? Fuck it. Just fuck feelings.

Other self-help books claim to reveal the path to happiness, but F\*ck Feelings warns that convincing yourself that there is such a path will actually lead you to feel like a true failure. What the Bennetts can promise you is that you can manage any situation life throws at you if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right.
