// HS 500. In the long run value is measured by performance and durability. Value is what the HS Series of Utility Vehicles have been delivering to enthusiasts world-wide since its introduction in 2006. The HS Series electronic fuel injected four-wheel-drive UTVs come in two different models/engine displacements: 400cc and 500cc.

I have a 700cc 2008 BOUGHT in 2009. Used on the farm & trail riding hard use. Still run great toDay needs a new set of tires & wheels dUe to use. Have recommended this brand to everyone looking at a Hisun I always look under the dash for the name tag. Since the brand is sold under other names. Thanks great machine.

I have a 2013 700 Powermax (Hisun) I bought new and beat the hell out of hunting , fishing and running old bush roads in Northern Ontario. It's been a great machine. I've done a few clutch mods but pretty much stock. Went to 16gr graseless weights (ceramic). I am now looking at 700 Rhino clutch cam plate to make it easier on sliders.
